CONTROLS OVER 200 BROADLEAF WEEDS

CONTAINS IRON FOR DEEP GREENING

2ND APPLICATION

LATE SPRING/EARLY SUMMER

COVERS 5,000 Sq. Ft. NET WEIGHT 13 LBS. (7.26 KG)

ACTIVE INGREDIENTS:
Dimethylamine salt of 2,4-dichlorophenoxyacetic acid 1.040%
Dimethylamine salt of (4-[(4-chlorophenoxy) propionic acid equivalent per ton or 0.230%
propionic acid
Dimethylamine salt of dicamba (3,5-dichloro-o-anisic acid) 0.100%
OTHER INGREDIENTS: 98.822%
TOTAL 100.000%

THIS PRODUCT CONTAINS:
17.20 lbs. 2,4-dichlorophenoxyacetic acid equivalent per ton or 0.86%
3.80 lbs. (4-[(4-chlorophenoxy) propionic acid equivalent per ton or 0.19%
1.80 lbs. 3,5-dichloro-o-anisic acid equivalent per ton or 0.09%
Insecticide by ADAC Methods

*4.8% Slowly available urea nitrogen from poly coated sulfur coated urea.

Keep this product off sidewalks, patios, driveways, etc. This fertilizer contains iron which will stain concrete and painted surfaces. If it comes in contact with concrete surface, sweep off immediately before flushing with water. If concrete is wet when contact occurs, staining may be impossible to prevent. Be careful when using rotary spreaders which scatter fertilizer beyond lawn edge and onto concrete.

STOP! READ THE ENTIRE LABEL FIRST. OBSERVE ALL PRECAUTIONS AND FOLLOW DIRECTIONS CAREFULLY.

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
CAUTION: Harmful if swallowed. Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

First Aid
If swallowed:
• Call a poison control center or doctor immediately for treatment advice.
• Have person sip a glass of water if able to swallow.
• Do not induce vomiting unless told to do so by a poison control center or doctor.
• Do not give anything by mouth to an unconscious person.
• Take off contaminated clothing.
If on skin or clothing:
• Rinse skin immediately with plenty of water for 15 - 20 minutes.
• Call a poison control center or doctor for treatment advice.
If in eyes:
• Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
• Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-877-800-5556 for emergency medical treatment information.

ENVIRONMENTAL HAZARDS:
This pesticide is toxic to fish and aquatic invertebrates and may adversely affect non-target plants. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.
This chemical has properties and characteristics associated with chemicals detected in groundwater. The use of this chemical in areas where soils are permeable, particularly where the water table is shallow, may result in groundwater contamination. Application around a cistern or well may result in contamination of drinking water or groundwater.

DIRECTIONS FOR USE:
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS:
• Do not apply this product in a way that will contact any person or pet, either directly or through drift, to people and pets out of the area during application.
• Do not allow people or pets to enter the treated area until dusts have settled.
• Do not use this product on or near desirable plants, including within the dripline of the roots of desirable trees and shrubs, since injury may result.
• Do not apply directly to or near water, storm drains, gutters, sewers, or drainage ditches. Do not apply within 25 feet of rivers, fish ponds, lakes, streams, reservoirs, marshes, estuaries, bays, and oceans. Do not apply when windy. Apply this product directly to your lawn or garden, and sweep any product landing on the driveway, sidewalk, gutter, or street, back onto the treated area. To prevent product run-off, do not overwater the treated area to the point of runoff or apply when raining or when rain is expected that day.
• Do not use on dichondra, carpetgrass, or St. Augustinegrass.
• Do not use this product where desirable clovers are present.
• Do not apply in areas underlaid by roots of desirable trees or shrubs. Apply when the air is calm. Do not apply to newly seeded lawns. During application, close spreader openings when turning.

SPREADING PATTERNS
First spread the borders of your lawn. Then spread the center by spreading in straight line passes. Spread at a uniform walking speed to insure even coverage. Always apply with a properly calibrated rotary or drop type fertilizer spreader to distribute the granules evenly. Never apply by hand.

INSTRUCTIONS:
This product is a combination of three proven weed killers - 2,4-D, Mecoprop-p and Dicamba. Together, they control a wide range of lawn weeds, including dandelion, chickweed, knotweed, plantain, henbit, spurge and many others commonly found in home lawns. In addition, a 24-0-4 fertilizer provides a supply of plant nutrients. Possible retreatment may be necessary if (a) lawn is heavily overrun by weeds, or, (b) if adverse low moisture conditions prevail and weeds are in a state of poor growth.
Apply 3.2 pounds of product per 1,000 square feet of turfgrass. A second application may be made in 30 days.
The maximum broadcast application rate is 3.2 pounds of product per 1,000 sq. ft. per application. The maximum number of broadcast applications is limited to 2 per year with a minimum of 30 days between applications. The maximum seasonal rate is 6.4 pounds of product per 1,000 sq. ft.

WHEN TO APPLY: Apply when broadleaf weeds are actively growing in spring or early fall.
WHAT TO EXPECT: Weed stems and leaves will begin to wilt and curl in a few days, but a month or more may be required for complete control. This product will not prevent weed seeds from producing new plants.

- 1. Mow lawn to normal height 1 to 2 days before application.
- 2. Water lawn thoroughly at least 1 to 2 days before application to sustain moisture until the next watering (see step 5).
- 3. Apply when weeds are young and actively growing, preferably in the morning when dew is on the grass. If grass is not moist at time of application, sprinkle lightly with water to hold the material and prevent dust drift onto nontarget plants.
- 4. Avoid applying when temperatures are consistently above 90°F.
- 5. Do not wash from weed leaves for 1 to 2 days after application. At this time, a thorough watering should be made.

PESTICIDE STORAGE: Store in original container in a locked storage area inaccessible to children and domestic animals.
PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

LIMITED WARRANTY AND DISCLAIMER
The manufacturer warrants only that the chemical composition of this product conforms to the ingredient statement given on the label, and that the product is reasonably suited for the labeled use when applied according to the Directions for Use.

TO THE EXTENT ALLOWED BY LAW, THE MANUFACTURER NEITHER MAKES NOR INTENDS ANY OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WHICH ARE EXPRESSLY DISCLAIMED. This limited warranty does not extend to the use of the product inconsistent with label instructions, warnings or cautions, or to use of the product under abnormal conditions such as drought, excessive rainfall, tornadoes, hurricanes, etc. These factors are beyond the control of the manufacturer or the seller. Any damages arising from a breach of the manufacturer's warranty shall be limited to direct damages, and shall not include indirect or consequential damages such as loss of profits or values, except as otherwise provided by law.

TO THE EXTENT ALLOWED BY LAW, THE TERMS OF THIS LIMITED WARRANTY AND DISCLAIMER CANNOT BE VARIED BY ANY WRITTEN OR VERBAL STATEMENTS OR AGREEMENTS. NO EMPLOYEE OR AGENT OF THE SELLER IS AUTHORIZED TO VARY OR EXCEED THE TERMS OF THIS LIMITED WARRANTY AND DISCLAIMER IN ANY MANNER.
